

Wedding & Banquet Information

Welcome

We are delighted that you are interested in our hotel and will be happy to help you organize your event so that it will remain a wonderful and unforgettable memory for you and your guests.

Speeches

In order to ensure that we can provide you with the best possible quality of food, we recommend that you inform us in advance of any planned speeches or performances so that we can get an idea of the schedule.

Aperitif

Our beautiful hotel complex right on the lake offers you a unique view of the famous Mount Pilatus and Lake Lucerne. Enjoy your aperitif on one of our terraces or in the pleasant atmosphere of one of our restaurants.

Surcharge

We charge a 10% surcharge for menu orders for up to 10 people.

Beverage packages

Please note that we do not offer beverage packages. You can find our current wine list on our website.

Material

Care must be taken with the materials provided by the hotel and the hotel facilities. To prevent damage to the walls, the installation of decorative materials must always be discussed with the management.

Menu cards

Unsere Menükarten stellen wir Ihnen kostenfrei zur Verfügung. Für spezielle Gestaltungswünsche haben wir jederzeit ein offenes Ohr.

Menu selection

Our suggestions serve as inspiration for designing your menu. We are happy to adapt to your ideas and the respective seasonal selection of specialties. The individual starters and main courses can be combined as desired and/or the existing menus can be shortened or exchanged for individual courses.

Our experienced and enthusiastic kitchen team, led by our head chef Stephan Dahinden, cooks according to modern nutritional principles and looks forward to spoiling you with fresh, high-quality products. Vegetarians are also welcome to indulge with us.

We would be happy to provide you with information about all our culinary delicacies and our range of rooms in a personal consultation and discuss your event with you on site. However, we kindly ask you to make an appointment in advance by phone at 041 348 24 82 or by email at info@seehotel-sternen.ch.

Music and entertainment

We are happy to assist you in arranging artists and musicians. Our in-house piano is available free of charge for your own musical performances (subject to availability).

From 10 p.m. onwards, fireworks and outdoor music performances are prohibited for police reasons. Please note that the bass must be removed after 11 p.m.

Parking spaces

We are happy to reserve sufficient parking spaces for your event according to the number of people registered (maximum 50 spaces available). We accept no liability for incorrect parking on the lake promenade or for damaged parking barriers.

Trial meal

We offer the bride and groom a 50% discount on the rehearsal dinner.

Wines, beverages, and additional guests attending the rehearsal dinner will be charged at full price.

Premises

Our halls, with capacities of up to 135 people, will enchant you with the right atmosphere for your celebration and also captivate you with a beautiful view of the lake and the mountain panorama.

Reservations

Reservations made are binding. We resell any capacity that becomes available. Provisional reservations are possible in principle, but you must make a final decision when asked. For wedding reservations, we require a deposit of CHF 500.00 per room. Once the amount has been transferred, we consider the reservation to be final.

Hall rental

We do not charge room rental fees for banquets. The number of meals served is decisive. The use of the rooms is limited to specific times; outside these times, the hotel may use the room as required.

We can organize chair covers for your chairs. We charge CHF 12.00 per cover for provision and cleaning costs. We charge CHF 20.00 per cover for broken and damaged chair covers.

Number of participants

We will take into account any changes to the number of people registered if you notify us of these by the day before; otherwise, we will charge you for the number of people registered.

Table decoration

The eyes eat too. We are happy to organize suitable floral decorations for you at a cost of CHF 7.50 per person. We provide white candles free of charge. If you would like special decorations, we will be happy to advise you.

Transportation

From vintage buses to Rolls Royce limousines, we are happy to assist you with booking any type of transportation.

Overnight stay

If you and your guests wish to stay overnight at our hotel after the event, we will be happy to offer you a special rate. We will offer you your wedding night free of charge, and after your first year of married bliss, we will also offer you your second wedding night free of charge (valid for weddings with 40 guests or more).

They say it is best to stop while you are having the most fun. If the event lasts longer, we charge CHF 200.00 from midnight to 1:00 a.m.
