

Wedding & Banquet Information

# Welcome

Thank you for your interest in our hotel! We will be more than happy to help you plan your event to ensure it remains a wonderful, lasting memory for you and your guests.

## **Speeches**

In order to ensure optimum food quality, we recommend that you inform us in advance of planned speeches or performances so that we can establish a programme schedule.

## **Aperitifs**

Our beautiful hotel grounds right by the lake offer a unique view of the famous Mount Pilatus and Lake Lucerne. Enjoy an aperitif on one of our terraces or in a pleasant atmosphere at one of our restaurants.

## **Supplement**

We charge a 10% supplement on menu orders for up to 10 people.

## **Materials**

Materials and facilities provided by the hotel are to be treated with care. In order to prevent damage to the walls, attachment of decoration materials must always be discussed with the management.

## **Menu cards**

We provide our menu cards free of charge. We will be more than happy to incorporate any specific design preferences you may have.

## **Choice of menu**

Our suggestions are intended as ideas for your menu. We will be glad to adapt to your preferences and to the relevant selection of seasonal specialities. The individual starters and main courses can be combined at will and/or individual courses can be omitted or swapped in existing menus.

Our experienced and dedicated kitchen team draws on contemporary culinary ideas and looks forward to indulging you with fresh, high-quality products. Vegetarians can of course enjoy a delicious meal with us, too.

We will be more than happy to tell you about our culinary offerings and facilities in person and discuss your event directly on site. However, please be sure to make an appointment in advance by phone on 041 348 24 82, by fax on 041 348 24 83 or by e-mail to [info@seehotel-sternen.ch](mailto:info@seehotel-sternen.ch).

### **Music and entertainment**

We will be pleased to put you in touch with artists and musicians. Our own piano is available for your use free of charge for musical performances (depending on availability).

Fireworks and outdoor musical performances are prohibited under fire regulations from 10 pm onwards.

Please note that music may only be permitted until 1.30 am and that the bass has to be removed completely from 11 pm onwards.

### **Parking spaces**

We will be pleased to reserve sufficient parking for your event to accommodate the relevant guest numbers (maximum 50 parking spaces). We do not accept liability for illegal parking along the lakeside promenade or for demolished parking space bars.

### **Trial meal**

We provide the bridal couple with a trial meal (predefined banquet menu) at a 50 % reduction. The full price is charged for wine, drinks and additional guests who take part in the trial meal.

### **Premises**

Our halls with a capacity of up to 135 persons provide a wonderful setting to suit your occasion as well as offering a magnificent view of the lake and mountain panorama.

### **Reservations**

Reservations are binding once they have been confirmed. Capacity released by the customer is resold by us. Provisional reservations are possible, but a final decision has to be made on request. In connection with wedding reservations, we require an advance payment of CHF 500.00 per hall. The reservation is regarded as binding once this amount has been transferred.

### **Hall rental**

We do not charge hall rental for banquets. The number of meals served is taken as the basis for invoicing. Use of the halls is limited to a fixed schedule; the hotel can dispose freely of the facility outside these times.

### **Chair covers**

We will be glad to organise covers for the chairs. We charge CHF 12.00 per person for supply and cleaning. Broken or damaged chair covers are charged at CHF 20.00 per cover.

### **Number of participants**

We accept deviations in the number of participants providing we are notified of any changes by no later than the day before the event, otherwise we charge for the originally specified number of people.

### **Table decoration**

Your event should be a feast for the eyes, too. We will be pleased to organise suitable flower decorations, for which we charge CHF 7.50 per person. The hotel itself is able to provide white candles. If you would like special decorations, we will be happy to advise.

### **Transportation**

From vintage bus to Rolls Royce limousine – we will be pleased to help you book a range of transport options.

### **Overnight stays**

If you and your guests would like to stay the night at our hotel after the event, we offer a special reduction. We offer you your wedding night, and after your first year of marriage we offer you your second wedding night (applies to weddings of 40 people or more).

### **Extension**

They say it's best to stop while you're having the most fun. If the event goes on longer, we charge CHF 200.00 per hour from midnight to 2 am.

**Invoicing**

The number of persons specified 24 hours before the start of the event is taken as the basis for invoicing. We charge for additional participants at the agreed terms and conditions. The total invoice for our services is issued after the event in CHF and we would ask you to settle within 20 days.

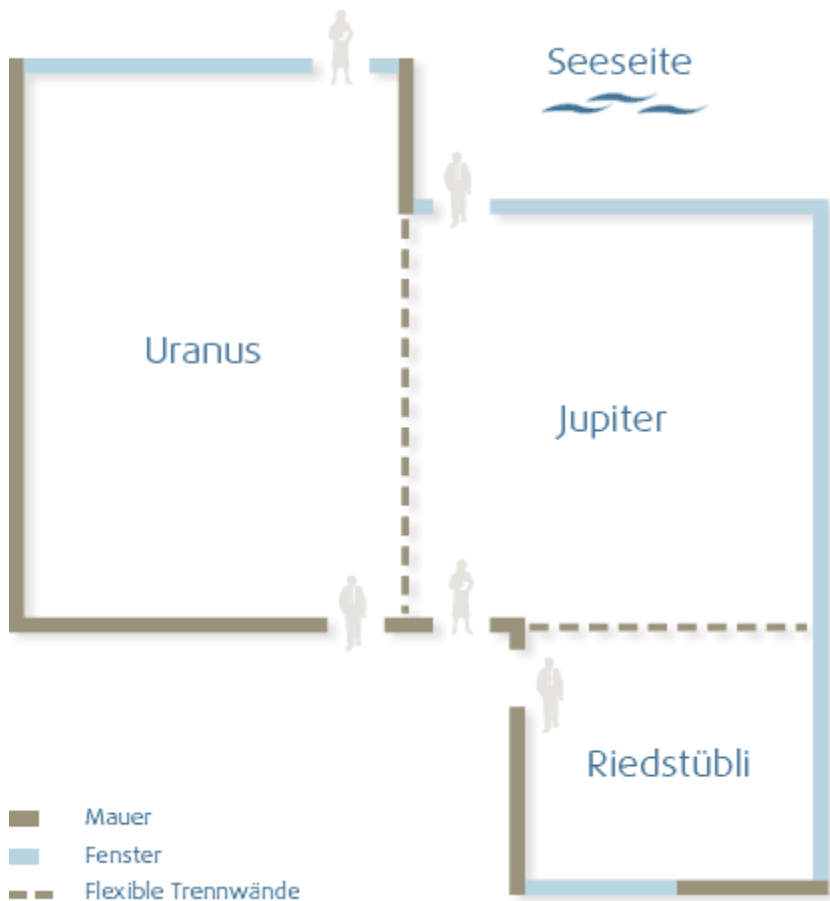

**WIR payment**

Please note that we do not accept WIR as a means of payment.

**Corkage**

We charge CHF 45.00 per bottle for any red and white wine you bring yourself.  
(75 cl).

# Room plan and dimensions
