

Dear Guest

Welcome to Seehotel Sternen Horw

Enjoy the breathtaking view of the lake and mountains, culinary delights in our three Restaurants Venus, Neptun and Gaststube, unique holiday feelings on our lake terraces as well as fantastic nights in one of our 25 comfortably furnished hotel rooms.

Your physical well-being as well as your health are important to us

Therefore, our kitchen uses under the guidance from our chef Georg Putz and our sous chef, Benjamin Peter for all culinary delights seasonal and regional products.

Origin: pork (CH), veal (CH), calf's liver (CH), chicken (CH), corn-fed chicken breast (F), Poussin (CH, F), beef entrecote (CH) and beef fillet (CH, IRL), duck liver (HU).

We buy from butcher Stutzer & Flüeler AG in Kerns or CC Prodega in Kriens.

The Comestibles products and various fresh fish are from the company Fideco AG in Murten. We source our smoked fish products from Dyhrberg AG in Balstahl, the first salmon smokehouse in Switzerland, which still smokes traditionally in wood burning stoves.

The cisco from Lake Lucerne are delivered by the Sea fishing & fish farm Nils A. Hofer.

Various fish and seafood are certified with a label.

These set criteria for regulatory compliance, food safety, occupational health and safety, animal welfare, environmental protection and environmental responsibility.

Origin: Cichlid (Vietnam), Felchen (Lake Lucerne), Saibling (CH / IRL), Zander fillet (EST FAO 27), smoked salmon (Denmark, breeding), home-smoked salmon (ESL), turbot (NLD), king prawns (Vietnam, mangrove forests), scallops (USA, JPN), mussels (NZL, NLD), Octopus (Pulpo PT), monkfish (27- North Sea Atlantic), red mullet fillet (Vietnam)

Meat from non-EU countries can be treated with hormones or other growth-promoting drugs.

Our ice cream is supplied by Emmi AG.

Vegetable, fruit and milk products are supplied by Mundo AG in Rothenburg and Joseff Muff from Gunzwil.

We wish you a pleasurable and relaxing stay.
